FOREWORD

Welcome to the 55th Annual Exhibition of the Toledo Federation of Art Societies. I wish to express my thanks to the members of the Federation and to its various committees who have devoted much time and effort to planning, to friends and donors who have supported us generously and, of course, to the artists themselves whose creative efforts make this exhibition possible.

Special thanks must go to Mrs. Frederic Wolfe for her efforts as Finance Chairman; to Mr. Otto Wittmann, Director of the Toledo Museum of Art; and to Mr. Robert Phillips and the Museum staff, for the fine installation of the show.

It has been an enlightening experience to be President of the Toledo Federation of Art Societies for the past two years, but most exciting has been the opportunity to witness the assembling of the 177 works presented in this exhibition. It is most regretful that there could not be more works shown. The jury found it very difficult to reduce its selection to this maximum number allowable. This is a telling sign—Toledo artists have become more professional each year and the elimination of entered works is more and more difficult.

I hope that those who view this show will be proud of the efforts of Toledo area artists. Many of the art works are for sale, and I hope the patrons of the arts will support their artists this year, as in the past, with their purchases.

Hal Hasselschwert, President
Toledo Federation of Art Societies
